

Wednesday Night 6 p.m. Security Council

SANITIZED

Gen. Hickey (?) advises if put over anything will have warm session.  
Kuznetsov says all anti-aircraft now in hands of Cubans.

McCone

McCloy - Kuznetsov

Russia ready to stay as long as possible - Dismantling & move to port 2 or 3 days. K no invasion from U.S. & other countries. K asked McCloy to dinner - anti-aircraft in hands of Cubans - no mention of Guantanamo - Pres. - says no one in govt. see anyone until we settle Cuba - Rusk says low level no high level on account weather. U Thant knows we are going to survey - cancelling Press Conference - builds up pressure - quarantine - Hail & if reply satisfactory - if not report back to headquarters for suggestions.

14 planes surveillance tomorrow 1 p.m.

" " " will not be announced

quarantine " - " " after clearance with

Secretaries of Defense & State.

NATO Allies have been asked to tell Castro if he doesn't cooperate they will break relationship -

Doug Dillon

Navy - stopped PT 109 & arrested them out in waters.

Pres. Continue surveillance until U.N. comes up with something as substitute.

Rusk desires to see Thompson, Pres., Atty. Gen. on related matter including Sorensen -
